

TIME HAS COME FOR BRITAIN TO BECOME HUMANE AND CIVILISED !

ALL THE KILLING OF THE UNBORN CHILDREN (IN ABORTION) AT ANY STAGE OF PREGNANCY SHOULD BE STOPPED!

We all have been aware lately of the different statements made by some politicians and asking to reduce the abortion limit from the present limit: 24 weeks... (And up to 9 months pregnancy if the child is disabled or handicapped ?):

-First: The Culture Secretary, Maria Miller indicated that she favoured a reduction to 20 weeks.

-Second: The Secretary of State for Health, Jeremy Hunt, has said that he supports reducing the legal limit for abortion from 24 weeks to 12 weeks.

-Third: The Home Secretary: Theresa May, has also suggested to reduce the abortion limit to 20 weeks

-Fourth: Even the Prime Minister, Mr David Cameron, likes some reduction....but not to change the law as it is.

These statements on reduction are encouraging and are good on "the surface" and it is helpful to see that some politicians are waking up to the serious gravity and "criminality" of abortion.

However, most politicians and MPs and most Women are not much aware of the serious reality of abortion and its harms and problems and its high costs in many ways.

THE HORRIFYING FACTS ON ABORTION ARE:

- Abortion is a direct act of aggression, commonly done by doctors, in order to kill an innocent living unborn child.
- Every day in Britain about 600 babies are slaughtered and killed in abortion. Daily "unseen" MASSACRE!
About 200 000 /year.
Since the Abortion Act 1967, more than 6 million unborn babies were killed.
- Almost all abortions(over 173 000) were done under 12 weeks pregnancy(2011),while only about 2700 abortions were done after 20 weeks pregnancy.
- Abortion is mainly done today for social reasons and as a new method of contraception.
- Abortion is the only medical/surgical procedure done for a woman who is commonly healthy in order to kill an innocent living human being. Strangely, two human beings enter the theatre or go for abortion, the outcome: one is dead; the other is scarred physically or mentally.
- Following abortion: some women suffer psychological and mental disorders or physical complications(early or late)...lately cancer of the breast was found to be linked to abortion in more than 40 studies .
- The abortion industry is a big business for the greedy selfish uncaring doctors and for the pro-abortion organisations
- Abortion operations are "sucking" our limited overstretched medical facilities and resources.
- Abortion is moving Britain towards a Demographic disaster: less children born. More old people are living with weak economy.
- Abortion destroys: Motherhood, fatherhood, marriage and family values...
- Abortion is prohibited by GOD, and by all the holy Scriptures of Moses, Jesus and Muhammad(peace be upon them) and by other faiths too.

Unfortunately, the government/MPs/politicians with their many bills and legislations, doctors, women organisations and religious leaders have all failed to address the causes and the risk factors which lead for the demands for abortion.

These are:

- Lack of belief in the Sanctity of life and that only GOD ,the Creator is the only Owner of human life(PRO-LIFE)
- Lack of chastity and the widespread practice of sex before marriage(some abortions are also because of sex outside marriage)
This unhealthy and sinful life style is behind 2/3 of unwanted pregnancies and abortions
- The devaluation and the disrespect to Motherhood, family life and family values
- The legalisation , "normalisation" , encouragement , facilitation and the availability of easy abortion

WE BRITISH MUSLIMS WOULD LIKE TO APPEAL TO ALL SO CALLED "Christian " WOMEN,WHO BELIEVE IN ABORTION OR ARE CONSIDERING ABORTION, TO GO BACK TO THE NOBLE AND GREAT TEACHINGS OF JESUS (peace be upon him) AND TO THE TEN COMMANDMENTS IN ORDER TO PREVENT THE MAJORITY OF THESE SINFUL ABORTIONS:

THESE ARE: Sanctity of life, chastity, marriage(a man and a woman),motherhood and family values(All these are Islamic values too)

After all: A child is a great GIFT from our Creator and is essential for love and bonding in marriage.

We like to remind all British Muslims of the Islamic view on abortion:

- Abortion is prohibited in the Islamic Holy Scriptures (Holy Book AL QUR'AN and the SAYINGS AND PRACTICE of the final Prophet MUHAMMAD (peace be upon him).

Life is SACRED from the moment of fertilisation.

The gender of the child and the genetic inheritances from the parents are all fixed at fertilisation

- At 6-7 weeks pregnancy: the new foetus is a mini human being as all organs have been formed but in small size and the soul is breathed in at this time.
- There is a prescribed punishment/blood money when abortion is done

It is in the QUR'AN:

- To save one human life is considered/counted like saving the lives of all mankind(7 billions)
- To kill an innocent human life, as in abortion, is considered/counted as killing all mankind (7 billions)
-It is an order in the holy Qur'an to DEFEND THE WEAK THE VULNERABLE THE OPPRESSED AND THE DEFENCELESS. Like the innocent unborn children who are killed.

-To stay SILENT and do nothing when 600 babies are massacred every day in Britain next to us is SATANIC and is opposed by GOD and by all the Islamic teachings.

And we like to appeal to all the British Muslims to:

- **Adopt and practice** well these Islamic values: Sanctity of life, chastity, marriage, motherhood and family values
- **Address well and prevent the** slow rise of abortion among some Muslim girls/women(due to the wrong way of integration). Muslim women counsellors are very much needed today in order to help and educate our Muslim girls and women and avoid them abortion.
- **Establish** your own PRO-LIFE MUSLIM ORGANISATIONS for Sanctity of life and against abortion and euthanasia.
We need also to establish a new PRO-LIFE MUSLIM DOCTORS/ MEDICAL ORGANISATION to take the lead.
- **SPEAK UP** and lobby their Members of Parliament(MPs) in order to implement the safest and best humane and civilised legislation: **BANNING abortion at any stage of pregnancy**(and not just after 24 or 20 or 12 weeks pregnancy...), as all are based on the killing of innocent living unborn children and because:
- Killing is still killing ,the same, at any stage of the pregnancy....The foetus is a human being with all human organs at any age .
- Is ridiculous to put limit on abortion (killing) then allow it on other times..! How can any sensible person stop some killings(by limiting abortion to 24 or 20 or 12 weeks) ,then allow the majority of babies to be killed under 12 weeks?
- As the majority of abortions in 2011: 173 000 were done under 12 week's pregnancy. So we need to stop this " flood of killings" early in life

And to protect the majority of women from suffering from the after effects of abortion.

- We all obviously would like to welcome any reduction in the limit of abortion and to save some lives, as every single human life is precious and sacred.
- We believe the word abortion should be "ABORTED" completely from our minds and from our legislations and should be put in our "history books" as the biggest crime and scandal we have done on a large scale in our lives.. This is our new "dark ages" in the 20/21st century!
- We like to appeal also to the British Muslims to **ELECT** for sure in next coming election: the genuine sincere PRO-LIFE candidate especially in marginal seats
- To **join and learn** from the experienced and knowledgeable Christian Pro-life organisations here in Britain like SPUC(Society for the Protection of Unborn Children: www.spuc.org.uk), in order to stop this cruel inhumane daily killing of our innocent living unborn children. We appeal specially to: Muslim doctors, Muslim nurses and Muslim midwives to boycott any case of abortion and not to get involved in any case of abortion (Conscience clause).
- -o be **present** in the UN Conferences in order to FIGHT AND STOP any legislation for abortion, especially under the misleading "attractive term": Reproductive health???. And to oppose all evil measures for population control!

We demand finally from all the British Muslims and the Muslims in the world ,to do a lot of **PRAYERS** in our mosques and on Fridays ,to ask our Merciful GOD to help us all TO STOP this daily barbaric killing of our innocent defenceless unborn children in the UK and in many parts of the world, and to stop this wide madness in our societies.... because PRAYER WORKS !

FINALLY LET US ALL REMEMBER THAT ABORTION IS CONTRAINDICATED ON THESE GROUNDS:

-Moral/Religious/Spiritual

-Health/Medical

-Marital/social

-Economic

-And Demographic
