

Dear all,

I thought it might be helpful to share with you a C4M(Coalition for marriage): www.cfm.org.uk – **C4m Gay Marriage in Primary Schools**) booklet, which was sent to MPs and some peers on the effects of redefining marriage on primary schools. Some of the material is very concerning and has been taken from actual books which have been actively promoted by some of those who back this change to the law.

Kind regards,

Alistair
