

Dear Imam.

AA and Ramadan Mubarak

Please allow me to send you a BRIEF on Smoking(medical/Islamic) in order to mention it at your coming Friday Khutba or after.

The reason for this Brief is because:

- We have unfortunately a very high number of Muslim smokers
- Ramadan is the best month to quit smoking

Please help us to educate the Muslim smokers in your Friday Khutba so they stop smoking.

Please feel free to edit or correct any idea or statement in my Brief.

One can use it as the base for Friday Khutba or added to the Khutba.

Please note that I am free for any enquiry from you or any one.

Thank you for your help
