

MCB/Muslim leaders should talk on the many "Holocausts" afflicting Muslims in the world today!

Dear all,

AA

As tomorrow 27th Jan is HOLOCAUST MEMORIAL DAY, I believe it will be helpful and an Islamic duty to raise the many "Holocausts"

Which are effecting the Muslims in the world like:

- The ethnic cleansing(Holocaust) of hundred thousands of innocent Burmese Muslims in Arakan...a lot of killing....
- The Continuous HOLOCAUST for the last 64 years and the last massacre of the Muslims in Gaza...

A MUSLIM PRESS RELEASE on these vital Islamic/Muslim issues should be issued on Holocaust Memorial Day...My humble suggestion..
