Muslim Campaign against Same Sex "Marriage"

URGENT APPEAL TO ALL MUSLIMS OPPOSE SAME SEX "MARRIAGE"

Assalam Alaykum

The Culture Secretary Maria Miller has just announced today (11 December) in the Parliament the new bill for SAME SEX MARRIAGE???

The issue of same sex "marriage" is HOT and in all over the British media and since many days and weeks...

As all Muslims know: MARRIAGE in Islam is only between a man and a woman:

As started and organised by GOD: Adam and Eve and not Adam and Steve!

THERE IS A WIDE CONSENSUS AMONG ALL MUSLIM SCHOLARS AND SCHOOLS OF THOUGHT THAT MARRIAGE IS ALLOWED ONLY BETWEEN A MAN AND A WOMAN(with 2 people of the opposite sex)

And sexual relation is only allowed between a man and a woman after a legal religious marriage.

It is forbidden for any Muslim to have sex with another person of the same gender/sex at any time. And in any situation during marriage or not.

As it is forbidden too for a Muslim man and a Muslim woman to have sex before or outside marriage.

So far only our good Christian friends spoke and oppose same sex "marriage".

NO MUSLIM VIEW OR VOICE AT ALL HAS BEEN EXPRESSED IN ALL BRITISH MEDIA???

MUSLIM VIEW SHOULD COME OUT ON :BBC1 BBC 2 ITV...and on different British radios and in many English papers.. like the Guardian, The Times, The Independent, The Daily Mail..

All should be presented in a calm, wise civilized logical and peaceful way ...without getting involved in the issue of homosexuality and without getting excited or emotional or becoming judgemental and aggressive in putting the Muslim view ,which is: GOD's view(Muslim-Christian-Jewish view)

Not speaking up and not expressing the Muslim view... is a part of Satan work?

Please in the name of Islam and in order to save our children and our all society, please make at least **A PRESS RELEASE** TO THE MEDIA AGAINST SAME SEX "MARRIAGE".

Especially as same sex "marriage" is DOUBLY SINFUL!

It is our Islamic duty to speak up!

Please note, the issue of same sex "marriage" is not about homosexuality... and is better not to get involved in the argument on homosexuality...

It is about the "DESTRUCTION" of our holy permanent definition of marriage which is FIXED in all the religions: MARRIAGE between one man and woman...and changing this definition?

Another big reason and worry :

If Muslims do not speak up:

Our mosques(and churches) MIGHT BE **FORCED BY LAW** ONE DAY TO CONDUCT THE MARRIAGE(Nikah) OF 2

people of the same sex (2 homosexual "Muslims") INSIDE OUR MOSQUES???

Please remember that since few years, same sex people have been granted the right to have OFFICIAL CIVIL SAME SEX MARRIAGE (CIVIL PARTNERSHIP) according to the laws of the land and many got "married" in this legal official way.

By the way: there are many homosexuals today who are not interested in same sex marriage at all, like Peter Tatchell: one of the active leader/campaigner for homosexuality.

Finally, I came across lately **a legal study , which is published by the Society for the Protection of Unborn Children(SPUC) titled Summary of the Aldan O'neill legal opinion on gay marriage and liberty of conscience and** which showed clearly THE EFFECTS AND THE HORRIFYING DANGERS AND PROBLEMS when same sex "marriage" becomes legal in our Parliament and society?

SOME OF THESE EFFECTS ARE:

-Children in schools/teachers (It is expected that this unnatural sinful immoral education will produce more gay/homosexual children (Muslims and Christians...) will produce)

-Faith schools

-Marriage laws

-Religious building/mosques, churches...

-Parents:

"Redefining' marriage by removing gender is that if you delete 'husband' and 'wife' and therefore 'mother' and 'father' from the legal system you also remove 'parenthood' and with that parental rights and responsibilities. With the parent removed from the scene, and delegitimised for good measure, the state can step in with full proprietorial authority over our children. End of Family. End of Religion...?"

-Sex education in schools

-NHS chaplains

-Public facilities

And it will affect also the peace and harmony in our society

More: This forbidden step/law will be against GOD Almighty and all the Prophets of GOD :

Our society and government will be cursed for sure by GOD....AND WE WILL SUFFER ALL TOGETHER THE DAMAGING EFFECTS OF THIS DIVINE CURSE!

Especially if we do nothing and keep quiet???

DID ANY ONE HEAR BEFORE ABOUT: SODOM AND GOMORRHAH?

WE APPEAL NOW TO ALL THE BRITISH MUSLIMS AND MUSLIM ORGANISATIONS TO:

-Ask every Muslim to write a letter to his/her own Member of Parliament (MP), or to see him/her and to ask him/her to oppose gay marriage.

To know the name of your Member of the Parliament (MP), please go to this website:

www.writetothem.com

-Write a letter to the Prime Minister Mr David Cameron, especially as he is very supportive to gay marriage

-Mention the issue of same sex "marriage" in our coming 2 Friday/sermon prayers

-Put the Muslim view/response on Muslim websites

-Publish it in newspapers

-Sign the Petition in Coalition for marriage (see below)

-All Muslim organisations and all mosques and Imams should issue quickly PRESS RELEASES which oppose gay marriage.

-Write articles or send letters to the Editor to different British non-Muslim papers

-Speak about it on Muslim TVs, radios ...and on non-Muslim TVs and Radios.

-E-mail to all Muslim relatives, neighbours , friends, members or contacts you know

-Inform many non-Muslims/Hindus/Sikhs/Buddhists or Christians about it as many will support us in our noble humane moral family campaign

- Contact and write to all the Muslim Embassies in London to ask them to contact/write to the Prime minister Mr David Cameron and to put pressure on him in order to give full LEGAL protection and assurance to all mosques

in Britain from been forced to conduct marriage/Nikah of homosexuals ,in the name of equality, especially when gay marriage become legalised(GOD FORBIDS !)

-Please do a lot of PRAYERS/Du'as to stop this "madness" in our society?

IT IS VERY IMPORTANT TO ESTABLISH AND FORM QUICKLY AN ALLIANCE WITH THE GOOD CHRISTIANS IN BRITAIN AND OTHERS AGAINST SAME SEX "MARRIAGE"...AND TO HAVE URGENT STRATEGIC MEETING AND PLAN ON A NATIONAL LEVEL WITH ALL LIKE MINDED PEOPLE AND WITH ALL FAITHS!

Can I draw now your attention to a very important **PETITION** which is organised by our Christian friends: COALITION FOR MARRIAGE since many months.

So far, about 619 000 people have signed the Petition.

I advise you all to SIGN the Petition and to spread it widely to all the British Muslims in Britain and to get every Muslim man and woman to sign the petition

We need to add at least :**400 000 thousands signatures** in order to reach the one million and to win, GOD WILLING, and stop the legalisation of same sex " marriage".

PLEASE GO TO THIS WEBSITE TO SIGN THE PETITION: CAMPAIGN FOR MARRIAGE (c4m):

www.c4m.org.uk/petition

I like to give you now important references and documents on same sex "marriage"/see below

Please read them,as they are very useful for your campaign.

They are all on the WEBSITE of the Society for the Protection of Unborn Children(SPUC):

www.spuc.org.uk

Same-sex marriage

SPUC, in common with Anglican Mainstream, Catholic Church leaders in England and Wales, Family and Youth Concern, and other bodies, is working with the Coalition for Marriage (C4M) to oppose the British government's plans to legalise same-sex marriage. The C4M has launched a petition which may have already been promoted in your local area, probably through local churches. It's vital that the petition is a huge success. Please contact SPUC HQ if you would further copies of the C4M petition or a poster.

Lobby your MP to defend real marriage

3 August 2012: It is critical that we act now to bring pressure to bear on our politicians to defend marriage. Continuing to promote the Coalition for Marriage (C4M) petition is of great importance, and we also need to begin lobbying individual MPs in earnest.

To help do this, please read two new documents:

- a 'step-by-step guides on how to lobby your MP
- Briefing notes for lobbying.

Please consider whether you can undertake one or more of these actions:

- visit your MP's either on your own or with a few like-minded friends - and ask him/her to support real marriage;
- ask clergy from your church or your local deanery meeting to visit and speak to the MP about this;
- Urge groups like parents with school-age children, members of prayer groups, etc. to visit the local MP and lobby him in support of real marriage.

We have also produced a revised version of our "Real Marriage" leaflet and we invite you to order copies to help raise awareness and concerns as widely as possible in your community. You can order a supply of the leaflets by contacting SPUC HQ:

- by email to orders@spuc.org.uk
- by telephone 020 7091 7091

SPUC's position on same-sex marriage

SPUC published a position paper on same-sex marriage following a resolution by SPUC's Council last month. SPUC has also made available a background paper to be read in conjunction with the position paper and which provides some additional references and reflections.

SPUC states that:

- Marriage - the permanent, exclusive union of one man and one woman - is the basis of the family, the fundamental group unit of society. Upholding marriage is therefore in everyone's interests.
- Marriage as an institution protects children, both born and unborn. Statistics show that unborn children are much safer within marriage than outside marriage.

- Same-sex marriage lacks basic elements of true marriage e.g. the complementary sexual difference between spouses necessary for the procreation and healthy upbringing of children.
- Same-sex marriage represents an attempt to redefine marriage, thus undermining marriage. This undermining lessens the protection for unborn children which true marriage provides

-

NOW ALLOW ME TO END ON A POSITIVE NOTE:

I would like to suggest to all to establish: A NATIONAL MULTIFAITH MULTI PROFESSIONAL SCIENTIFIC MEDICAL COMMITTEE

IN ORDER TO DISCUSS AND FIND OUT ABOUT THE REASONS/FACTORS which do affect the sexual orientation of any person especially during childhood and which make a person interested in the same sex for sex?

Psychologists/psychiatrists/psychosexual professionals are an important part of this new important National Professional Committee.

We like to help same sex people, especially if they are interested.

We like also to protect our all faiths and religious buildings for worship and our innocent children and our all society.

We British Muslims are entitled to give and express our own Islamic religious view on same sex " marriage" or any other moral or social issue as we are living in a free democratic society, with the freedom to express one's opinion (BUT NOT TO INSULT AND OFFEND), similarly as many of our Christian friends have been doing in many channels of the media.

One thing to clarify:

British Muslims are not and should not:

Condemn or judge any gay/homosexual person or any adulterer ...only GOD Almighty,the Creator of all, is the real and the only JUDGE to all of us ,also it is important not to cause any type of harm to any British citizen in our society ,whether he/she is homosexual or not.
